UNITED STATES GOVERNMENT

Memorandum

TO: SAC, DALLAS (89-43) DATE: 11/25/63

FROM: SA MILTON L. NEWSOM

SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY

Mr. WALTER BENT, Sales Service Manager, Eastman Kodak Company, Processing Service Division, 3131 Manor Way, and Mr. CHARLES BRONSON, Chief Engineer, Zarel Manufacturing Company, 9230 Denton Drive, were contacted by SAS MILTON L. NEWSOM and EMORY E. HORTON on 11/25/63.

Films taken by Mr. BRONSON at the time of the President's assassination including 35 mm. color slides which were taken with a Leica Camera, and 8 mm. Kodachrome film were reviewed. These films failed to show the building from which the shots were fired. Film did depict the President's car at the precise time shots were fired; however, the pictures were not sufficiently clear for identification purposes.

One of the 35 mm. color slides depicted a female wearing a brown coat taking pictures from an angle, which would have, undoubtedly, included the Texas School Book Depository Building in the background of her pictures. Her pictures evidently were taken just as the President was shot. Approximately five other individuals in the [illegible] were taking pictures at the time.

Arrangements have been made with Mr. WALTER BENT whereby each package of film received for processing by that company, will be returned to the owner of the film with a slip of paper attached requesting the individual to notify the local FBI Office in the event pictures in the package reflect the scene when the President was assassinated. Mr. BENT advised this company does the processing for all the southwestern states. An airtel is being furnished southwest offices notifying them of the above arrangements in the event they receive calls of this type.
